After reviewing the information entered and clicking to continue, a new, personal User ID and Password will be issued as shown in the next image. These will be used, along with the ASM300 Lite activation key# and registration code, to obtain your Registration key from the following screen.

For Pre-registration Dealer - Dealer Registration Completed -

The dealer was newly registered.  
The User ID and Password has been sent the dealer by e-mail.

Issued ID  
User ID FhXv8nQ7  
Password sBFm

The issued User ID and password are important,  
so please confirm and store them safely.

The keys will be issued. Don't lose them.

Using the User ID and Password just received, login to the same site as above . This screen is next. Click on 'Issue Registration Key'.

Be sure to select the choice shown for WV-ASM300. After clicking 'Next Step', you will enter the MPR ID from the step above in Step 2. Use the following information in Step3:

Activation Key#: 0408-0065-000A-BC01  
Registration ID: 5197-EC85

Your key will be issued after Step 4 and 5 are done. We can't show this as fictitious numbers were used and continuing without real numbers is not possible.

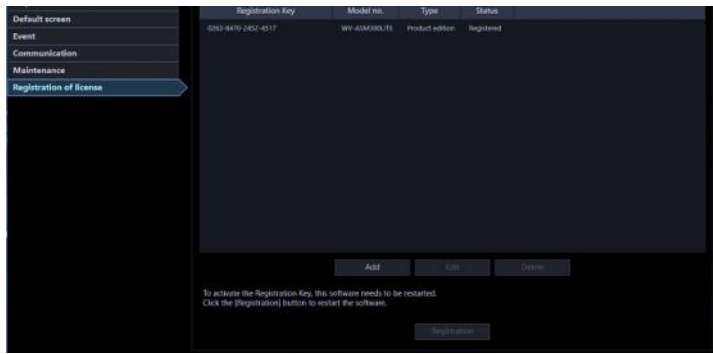

3. Enter the Registration key into ASM300 software as shown in the third image

This is the opening screen. Click on the Settings button (Gear) in the top bar
